

From Dig to Digital

Virtual Learning Resources from the Eastern Boeotia Archaeological Project

Devon Lohrasbe (MA, UVic)

Wednesday - December 16, 2020

10 am PST/1 pm EST Zoom meeting: <https://uvic.zoom.us/j/86836155069>

This talk will present an overview of our learning resource development so far, for both learners and educators. Our resources use engaging pedagogical strategies and interactive digital tools to present ancient Boeotia and Eleon as a case study for learning about the ancient Greek world.
