Dr. Leander Tryphonas Study in Greece Bursary

Thanks to a generous donation from the Canadian Institute for Mediterranean Studies (Ottawa Chapter), and the Parnassos Cultural Society of Ottawa, the Canadian Institute in Greece (CIG) is proud to be able to offer the Dr. Leander Tryphonas Study in Greece Bursary. The bursary aims to support undergraduate students based at a Canadian university who have reason to travel to Greece.

This is a merit-based award which aims to promote the diversity of students involved in archaeological projects and/or study tours in Greece. Special consideration may be given to students applying from universities in Ottawa, the city where Dr. Tryphonas lived and worked for much of his professional career.

The Institute therefore invites applications for the Dr. Leander Tryphonas Study in Greece Bursary to be held during the spring or summer of 2027.

The applicant must be a Canadian citizen or landed immigrant, pursuing undergraduate studies, and have a clear need to travel in Greece for participation in an archaeological project, to attend a summer program or study abroad experience, or to participate in some other academic activity that requires the student to be in Greece.

To apply, write to Dr. Scott Gallimore (personnel@cig-icg.gr) **by 1 March 2027**, including a cover letter that describes your rationale for traveling to Greece, a *curriculum vitae*, and an unofficial transcript. Please arrange for a referee familiar with your academic background to send a letter of support for your application to Dr. Gallimore.

Within three months of the end of the travel period, a brief report must be sent by the bursary recipient to the Chair of the CIG Fellowships Committee describing the work that was accomplished.

In any subsequent publication of the research work done under the auspices of this bursary, the recipient shall acknowledge the Canadian Institute for Mediterranean Studies, the Parnassos Cultural Society of Ottawa, the Canadian Institute in Greece, and the Dr. Leander Tryphonas Study in Greece Bursary.

One bursary will be offered each year, amounting to a total of CAD $2,000. The award is designed primarily to cover local living expenses (accommodation, meals, etc.) as opposed to travel expenses.

Nota bene: This award, subject to the discretion of the selection committee, may be awarded in conjunction with the "CIMS-CIG Student Travel Bursary" which covers travel-related expenses.
